

## CWZ Community Service Report, Fall 2018

The NICU at Golisano's Children's Hospital was our project for the fall meeting. Everyone was generous. Collected at the meeting was \$200, over 32 outfits, numerous hats and socks, many pens and notebooks for parents, and many activities for siblings. Thanks to everyone who participated.

Counties that reported fall community service activities:

Ontario- We haven't had our meeting yet but we are collecting money and items for House of John in Clifton Springs.

Wayne-They collected \$265 for the Domestic Violence Center of the Finger Lakes which helps victims of domestic violence and sexual assault in the county and beyond.

Orleans- They donated \$100 for Orleans County ARC's Camp Rainbow.

Yates- They continue to bring books to meetings for various local needs. At the September meeting, they also donated to Moving Day.

Wyoming- Members donated knitted and crocheted scarves and hats, playing cards, toiletries, writing paper, pens, and candy to be sent to the troops through Operation Gratitude. Non-perishable foods were donated to county food pantries. Angel Action contributed food to the children's Backpack Program as well as children's books, coloring books, markers, and crayons.

I did not hear from the other counties.
