

Friendly Service

Communications—Doris MacFarquhar sent a gracious thank you for the certificate awarded her at our zone meeting at Club 86. She continues to remember the elderly of Allegheny County although the unit disbanded. Carol Lord thanks us in a nice note for remembering her w her health issues. We appreciate all Carol does despite not feeling well. Get well cards were sent to Lynn Patti, Sharon White, and Georgia Thomas. Sympathy cards were sent to Sandy Garee in her mother's death and Marge Hunt in Don's death. We were entertained by Don on the keyboard as we assembled for many meetings.

Checkbook—Our balance is \$504.23.

End of year reports will be submitted to our new State VP for Friendly Service. I chose not to attend convention this year so someone new could do so. A report of the Friendly Service meeting should reach me soon.

Let us be thankful for our families and good health as we celebrate Thanksgiving. Happy holidays to all! May 2019 be a very good year for you!

Respectfully,

Barb Rosecrans, CWZ Friendly Service
