

## Friendly Service

Friendly Service has been quite busy with the Annual Report information due after the holidays. Forms and directions were mailed to unit chairs 11/7/20. Numbers were collected, compiled and the Annual Report was mailed to Judith Corigliano on 1/15/21 well before the 2/15/21 deadline. Thank you to all who contributed to this effort.

Cards were sent as follows: to Frank Berger in the death of his brother, to the family of Terry Trudeau in his death, to Ann and Gene Czajkowski in the sudden death of their granddaughter, to Roberta Leu of Phelps , a member who suffered a bad house fire.

Holiday greetings and thanks for all their efforts throughout the year were sent to unit chairs.

Finances: checkbook balance as of February 11, 2011: \$628.87

Checks written: \$50 to R. Ballard for mailing RENY stickers rather than having 10 people drive to collect them. \$100 to American Lung Assoc. In memory of Terry Trudeau, former State VP, President, Membership Chair and Treasurer til his death.

\$50 in memory of Ann Czajkowski 's granddaughter's passing.

Looking forward to a happy, healthy 2021!
