1. RENY (Retired Educators of NY) opposes the proposed 20% cut to school aid in the 2020-21 school year. RENY supports increasing school spending for: building upgrades, expanding internet access to underserved areas and increasing support for student acquisition of adequate computer technology for student learning.
-
2. RENY (Retired Educators of NY) supports the following legislation regarding prescription drugs:
 - Synchronization of Multiple Prescriptions Act A187 (Gottfried-D) & S4231 (Hoylman-D)
 - Manufacturer Disclosure and Transparency Act S398 (Biaggi-D) Re: Generic drug development
 - Reducing Pharmacy Benefit Manager Costs Act A291 (Cahill-D) & S01768 (Skoufis-D). Reduces pharmacy benefit manager costs and makes a clear definition of PBMs.
-

RENY (Retired Educators of NY) supports protection against elderly victimization by increasing penalties for scams and fraud aimed at seniors.

RENY (Retired Educators of NY) has reservations regarding the legalization of marijuana. If it is legalized we support earmarking the revenue for education and drug treatment programs.
