

CWZ Community Service Report
May 2021

Since our last meeting I have heard from Kathleen Harris who is in charge of the Coldwater House for women and children. Coldwater House is connected to the Open Door Mission in Rochester. She has supplied me with a list of items which they need on a continuing basis. If we are able to send out a newsletter in preparation for a meeting in the fall, I will make a plea for these items to be donated.

Joan Handfield
