

Subject: Friendly Service Report 4//26/21

Little business lately. Sent cards to Jackie Moller of CZ and on DeCormier Committee. Last one was returned so? A retirement card and \$50 gift was sent to Debra Barnes who shall be missed in the RENY Office. Reported the death of CWZ member, Linda Buck of Waterloo and Florida to the state and Jane Crosby. It is especially sad when she was a good friend and member of our Waterloo Occupational Education Dept. as I was.

Checkbook balance: \$578.87.

On a happier note, it is good to report that our Historian and Public Relations Chair, Phyllis Dunlap, was honored with the Henry Welles award for the Waterloo resident who works for the betterment of our community as Mr. Welles did. Congratulations, Phyllis.

As Maya Angelou suggested, "Try to be a rainbow in someone's cloud."

Sincerely,

Barbara Rosecrans, Chairperson
Friendly Service, CWZ
