

## **CENTRAL WESTERN ZONE REPORTS**

Phyllis Dunlap-Public Relations

Thank you to all the people who have submitted reports for the RENY York State. Monroe and Ontario did the Spring Electronic Edition. Orleans and Steuben did the Summer Hard Copy. I had pictures but they didn't have room for them. I think they're cutting back on costs and colored ink costs more!

For the Autumn Electronic copy Wayne and Wyoming are up to bat! They may accept pictures, but I am not sure. The report is to me by August 18, 2021. [Pbd106@yahoo.com](mailto:Pbd106@yahoo.com)

Any questions call 315-651-5875. Yates and Livingston Counties are due to me for the Hard Copy by Oct. 30, 2021. I will fill in with Seneca County as needed. Thank you. We couldn't do it without you!

I will be bringing the 2 Scrapbook pages to you at the Executive Meeting, Thursday, August 5<sup>th</sup> in Gorham! To save money \$ and time let's combine 2020 and 2021 together. We haven't had physical contact so I would like to combine the two years into one big scrapbook! The Pandemic of 2020 and 2021. If you would like to use 1 sheet (both sides) for 2020 and 1 sheet (both sides) for 2021, that would be fine. I will have a mailing envelope for each county to mail back to me if we aren't going to meet before the one-day convention in Albany.
