

Friendly Service 11/4/21

Judith Corigliano, State Vice President for Friendly Service, reported a good annual meeting in Albany with reduced numbers. Only two of the FS chairs were present, but we are hopeful that next year at Turning Stone, things will be more normal. I was not present. Judith was to be finished w her term for State VP for FS, but she was appointed to a one-year term as our VP and to help transition Lois Thornberg for VP for FS for next Nov. 22-2023. Judith continues to do a nice job. She tells us the 2021 annual reporting packet will come our way this week. I will send out forms promptly so that information can be gathered before people get involved in holiday activities.

It was good to attend our CWZ annual meeting, the first in two years, on September 16, 2021, in Waterloo. My report was given.

A thinking of you card was sent to Carol Westlake for her hurting son and sympathy card to Margaret Eichenhofer upon the passing of her husband, Donald. Marg is fondly remembered for directing the NYSRTA chorus for several years. Don lent his good voice and humor to the group.

Checkbook balance is \$365.13. Happy holidays to all.

Barbara Rosecrans, CWZ Friendly Service
