

Community Service Project Fall 2022 Meeting

Our project for the Autism Nature Trail was a major success. The amount from the green cups on the table was \$253 and the amount from the raffle was \$370. Our total was \$623. Loren Penman then contributed \$77 for a total of \$700. Lauren credited the entire amount to the CWZ. Thank you to Lauren and to everyone for your generosity.

If you have any suggestions for our next project, please let me know.
