CWZ President's Report from Mary Beth Tyndall

November 3, 2022 Board Meeting

CWZ Annual Meeting held on Thursday, September 15, 2022 at Nolan's on Canandaigua Lake with Loren Penman as speaker was well received. There are extra annual meeting booklets available.

County Unit Visits included Steuben (August 22) and Orleans (September 22). What a pleasant time it was meeting with our members! Jerry McGlynn, former President of Allegany County RTO, turned over files to me (September 1).

RENY Board and Annual Meeting was held October 13, 2022 at Turning Stone Resort. Informative and fun sessions were held prior. The meeting was quite efficient—no resolutions or major concerns to debate. Thank you to our 16 delegates who attended. RENY has contracted with Turning Stone to continue to hold Annual Meetings there through October 2027.

CWZ Directory continues to change with updates. Forward your list of 2022-23 officers to me at your earliest convenience or at any time there is a change.

CWZ Calendar 2023 is ready to be filled. Forward any dates that you may have. I have tentatively selected Thursday, September 14, 2023 for our CWZ Annual Meeting so save that date. When the October date for the RENY Annual Meeting is announced, I will pass that along to you.

Sincere Gratitude is extended to ALL board members! This board could not exist without you and your efforts over the years. You are only asked to do what you can do because your life circumstances change—very often the change is unanticipated. You do not need undue stress. Remember—this is volunteer role and we appreciate any thing that you can do for our organization.
